Tourism in Estonia in 2019

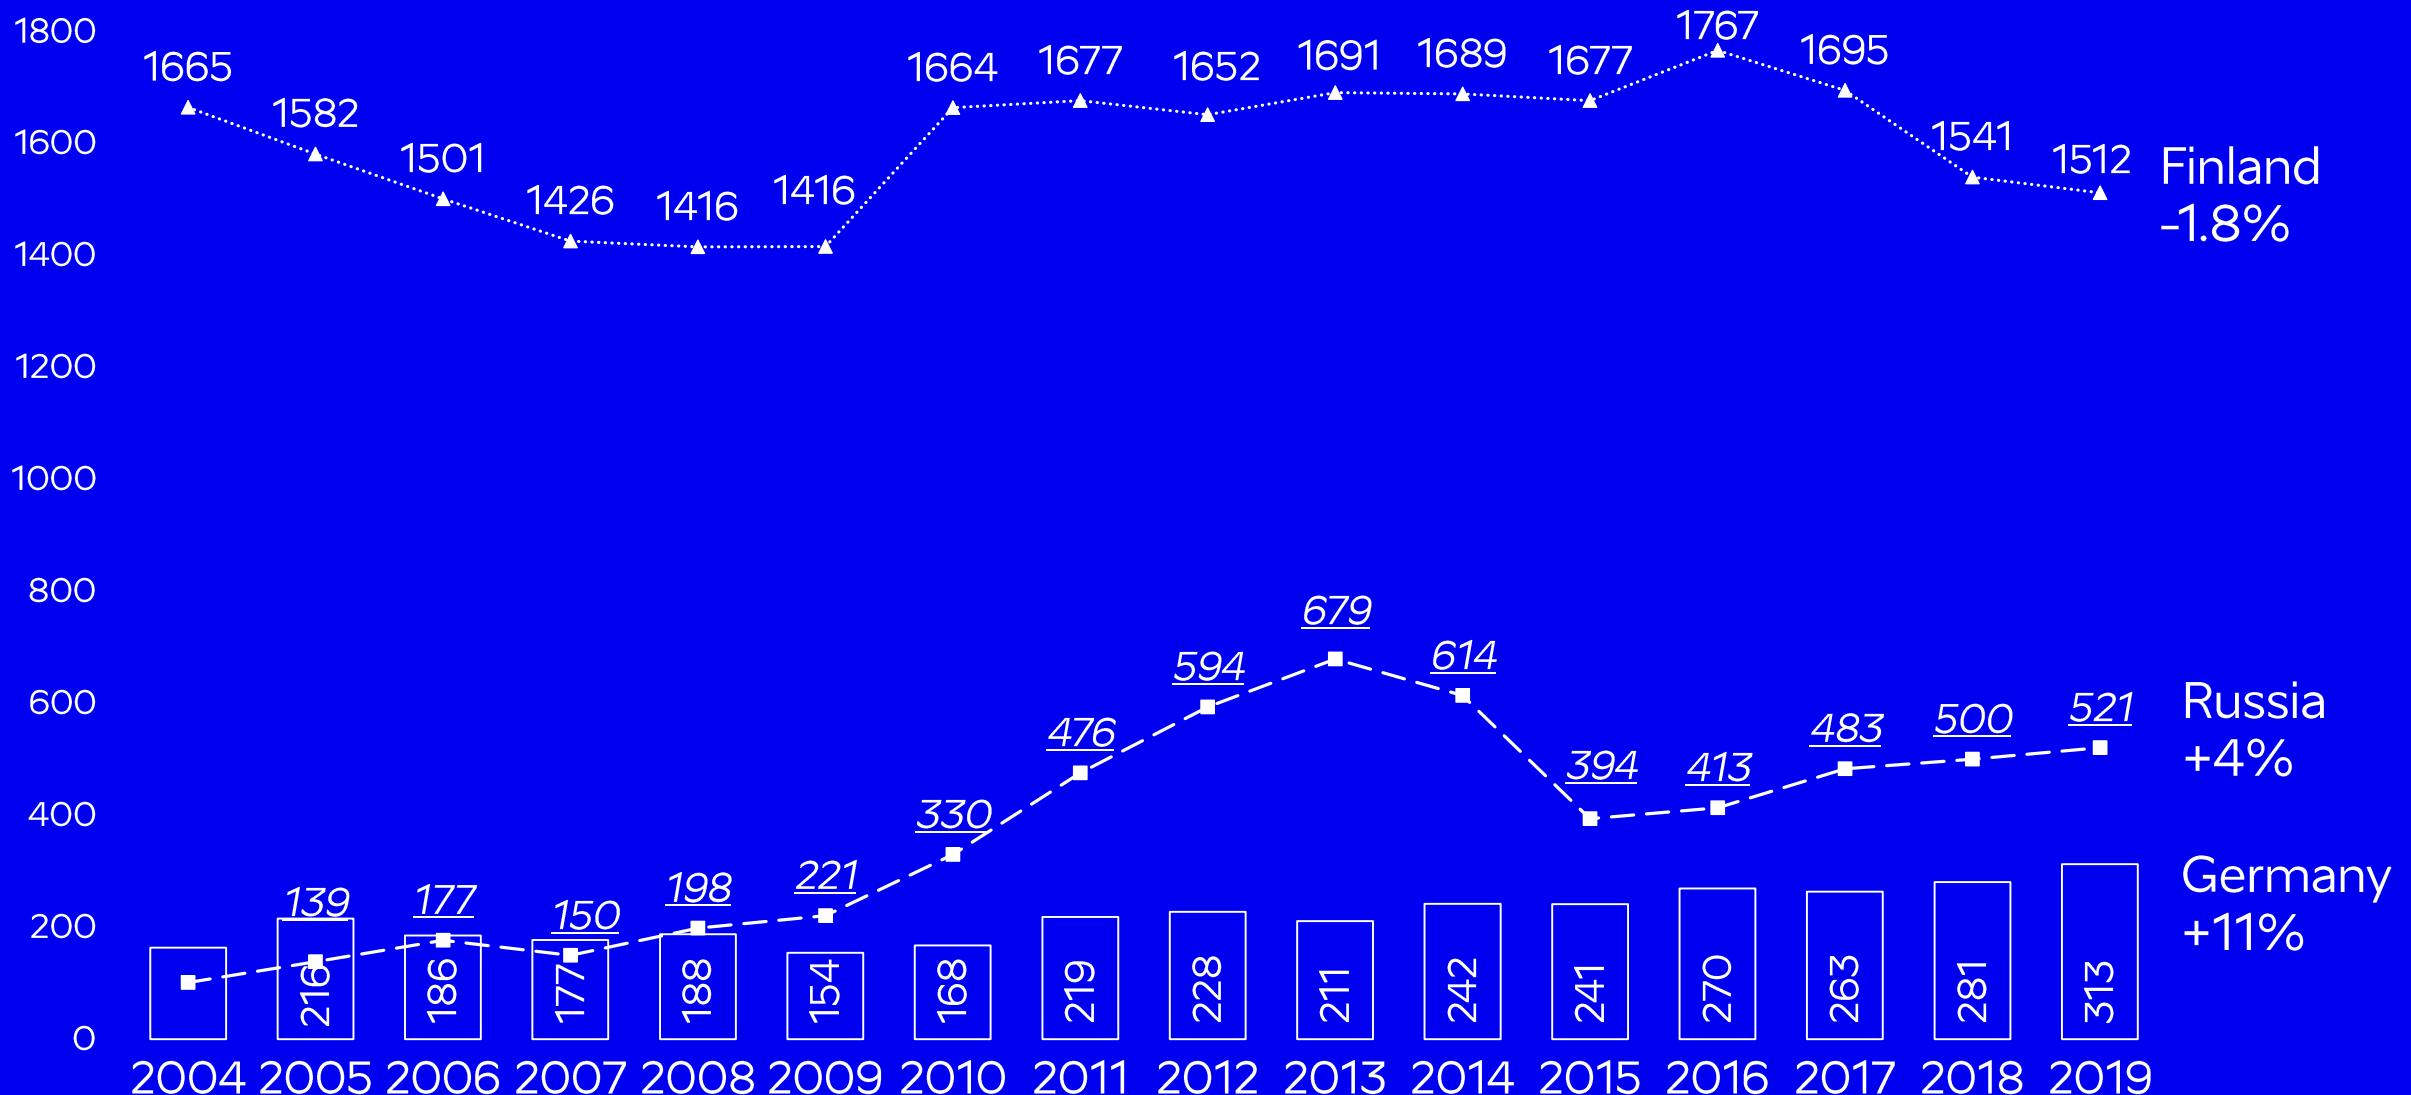

TOURISM IN ESTONIA IN 2019

- In 2019, 3.79 million tourists stayed overnight in the accommodation establishments of Estonia (+5.5%), spending 6.97 million nights (+5.1% compared to 2018)
- The number of foreign tourists amounted to 2.5 million and their overnights to 4.38 mln (both +5%).
- The number of domestic tourists was 1.54 million, their overnights amounted to 2.59 million (both +6%)
- Overnights by foreign tourists reached a new record for the 4th consecutive year and overnights by domestic tourists for the 7th consecutive year.
- **As in previous years, domestic overnights showed the biggest increase in absolute figures. Of the foreign markets, overnights from Latvia, Ukraine, Germany, Lithuania, Russia, the UK and Sweden showed the biggest increase.**
- **Tourism from Finland showed the biggest decrease in absolute figures.** Although starting from July, tourism from Finland increased, the decrease in the first half of 2019 was so big that the full year results still showed a decline.
