WHERE NATURE MEETS HISTORY

## ABOUT MAIDLA

Maidla Nature Villa, an architectural pearl, is a nutshell-sized "forest bedroom" that sits on the edge of a wetland. We're inviting you to immerse yourself in the wild, surround yourself by great modern design and history of the Manor complex. Maidla Nature Resort is a perfect romantic getaway for two in the most magical time of the year.

## Your stay includes

- A warm welcoming drink with a taste of Christmas of your choice
- One night in Nature Villa (two-night stay offer -10% discount)
- Personalized present waiting for you in the Villa
- Delicious breakfast in manor Old Servants' house
- Historical Maidla Manor tour with a guide
- Warm and personal service throughout the stay

For those looking for more active holiday, we have a selection of activities for extra cost and prior booking (eg. Christmas picnic, bog hike with snowshoes, horse sleigh ride etc).

# Historical Manor

Maidla Manor was originally built as a fortification building with an unknown founding date. The earliest mention of the manor dates back to 1452. Having travelled the globe in search of unique experiences and sites, we realized we have something in Estonia we should honour a lot more – the simplicity of pure raw nature alongside authentic manor culture.
