Ten coolest things
Estonia is globally
famous for

10.

One of Europe's least
crowded countries
with a population of
just 1.3 million

9.

Estonia has a unique
population-based
genome database

8.

Singing nation

The Estonian Song Festival is one of the largest choral events in the world.

7.

Rich wildlife

Estonia has one of the highest densities of large wildlife in Europe.

An aerial photograph of a medieval castle, likely Toompea Castle in Tallinn, Estonia, surrounded by a moat. The scene is captured during the golden hour, with warm sunlight and long shadows. The castle features several towers with conical roofs and stone walls. The surrounding landscape includes trees with autumn foliage and a body of water in the distance.

6.

Estonia has some
of the cleanest air
in the world

An aerial photograph of a serene landscape featuring a dark, calm lake surrounded by a thick, lush green forest. The forest extends to the edges of the frame, with a small island or peninsula in the middle of the lake. The lighting suggests a bright, sunny day, with the water reflecting the sky and the surrounding trees.
