

Christmas at Palmse Manor

Fairytale Palmse Manor offers great opportunities to make the Christmas season uniquely beautiful.

Christmas package includes:

- ⌘ entertainment program,
- ⌘ festive Christmas dinner,
- ⌘ accommodation in the Palmse manor guest house,
- ⌘ rich and refreshing breakfast in the morning.

Our Christmas program makes the merry-making special:

- To welcome our guests, we offer a warming Christmas drink.
- Sleigh ride. When there is not enough snow, the manor horse drives a gorgeous carriage.
- In the forge, every guest can mint a lucky coin. This lucky coin has magical powers - it is an exceptionally powerful and protective coin. It keeps and supports you in stressful times, gives you both spiritual and financial happiness, attracts negative energy and makes sad people happy again. By keeping this coin in your wallet, there is no fear that the wallet will ever run out.
- Making Christmas tincture
To make holiday gatherings extra special, guests can make a Christmas drink. That's easy and fun to make and perfect for the winter holidays. This drink is the spicy pleasure of a cool winter's evening.
- We introduce you the manor house decorated for Christmas
